Standing Orders (Including Remits & Delegated Authority)

Purpose of these Standing Orders

1. These are the Standing Orders for Craigdale Housing Association. The Standing Orders set out the Association's governance structure and procedures. They provide a framework for the effective management of the Association's business.
2. The Standing Orders are part of a wider governance framework which includes:
 - The Association's Rules, which are based on the Scottish Federation of Housing Association's (SFHA) 2015 Model Rules (Note: SFHA is currently reviewing the Model Rules, and this should be finalised early 2020).
 - The remit of the Board and other Committees (Appendix 1).
 - The Association's Scheme of Delegated Authority (Appendix 2).
 - The Declaration of Interest (Appendix 3).
3. Nothing in these Standing Orders (or any subsequent alteration or amendment) shall be taken to permit Board Members or Staff to act in contravention of the Rules or any statutory obligations or Regulatory Requirements.

Election, Skills Assessment & 9 Year Appraisal of Board Members

4. The Association's Rules set down that Members of the Board shall be elected in accordance with an Election Process involving the Association Members, as set out in paragraphs 39.1 to 41 of the Rules.
5. In addition to the above a Member of the Association cannot be elected on to the Board if someone, 'closely connected' to them is already a Board Member. This will avoid potential conflicts of interest. 'Closely connected' in this circumstance is defined as (1) Members of the Member's household and (2) people closely associated with the Member. The Code of Conduct for governing body Members provides as full definition of people deemed as closely connected, as does The Declaration of Interest (Appendix 3).
6. The Board can co-opt to the Board or to any Committee anyone it considers is suitable to become a Board Member or Member of a Committee. Co-optees may not stand for election, nor be elected as an Office Bearer. Rules 42.1 to 42.3 apply to co-optees.
7. The Board Members are subject to the Regulatory Standards of Governance and Financial Management as published and amended by the Scottish Housing Regulator (SHR) from time to time.
8. So that the Association may satisfy itself that its Board Members meet these Standards, the Association has adopted an annual skills assessment and 9-year appraisal process. This process should ideally operate to a timetable that will ensure that its outcomes meet the needs of the Annual General Meeting

(AGM) Election Forum process as set out in the governing body's Governance Framework below:

12.	Board Skills Assessments & 9 Year Appraisals (from 2017)	November to December

Role and Remit of the Board

- The Board is the Association's governing body. Its central role is to direct and control the Association's work. The Board is responsible for determining strategic direction and policies; for establishing and overseeing the control and risk management framework, and for ensuring that the Association achieves its aims and objectives. The Board's remit is provided at Appendix 1. The powers of the Board are detailed in Rules 45 to 47.

Delegation to Committees

- To ensure that the Association's business is managed efficiently, the Board will delegate some of its powers to Committees, as described in the Rules (Rule 58 applies) and these Standing Orders.

11. The following Committees have been established to carry out such functions as referred or delegated to them by the Board:
 - Audit & Assurance Committee
 - Operational Services Committee
 - Staffing Committee
12. The Remit of each Committee shall be agreed by the Board. Committee Remits shall be reviewed by the Board as part of these Standing Orders. The Committee Remits are provided at Appendix 1.
13. The Board may also appoint from time-to-time special Committees to carry out such functions as may be referred or delegated to them. The Remit of special Committees will be agreed by the Board.

The Board Membership (The Board and Committees)

The Board

14. The Members of the Board will be elected in accordance with the arrangements described in the Association's Rules. See Rules 43 and 44.
15. The Board will have a minimum of 7 and a maximum (including co-optees) of 12 Members. The Board cannot act for longer than 2 months if its Membership falls below 7. This is a Notifiable Event to the SHR. If at the end of this period, the Board has not found new Members or appoint co-optees then the only power it will have is to act to bring the Board numbers up to 7.
16. If an elected Board Member leaves the Board, a casual vacancy will be created. The Association's general policy will be to leave casual vacancies unfilled till the AGM, unless filling the vacancy is essential for the overall operation of the Board.
17. If a Board Member requires a leave of absence from the Board for personal or other reasons, they should write to the Secretary requesting a leave of absence and this must be approved by the Board and duly recorded in the Minutes. The initial request for leave of absence should be for no more than three months (unless for maternity reasons, leave will be extended to six months), at the end of which it must be reviewed by the Board. Any further extension may not exceed a further three-month period, meaning leave of absence will have a maximum period of 6 months and 9 months for maternity leave.
18. If there are vacant places on the Board, and should the Board decide that filling a place or places by co-option is appropriate, the Board may seek to use co-options to make the Board more representative of the local community and/or recruit people with specific skills or knowledge which are relevant to the Association's work. Examples of individuals meeting these criteria might include:

- People from sections of the local community which are under-represented on the Board.
 - People with business, governance, financial or professional skills who work in Castlemilk but live outside the area of operation.
 - Other people with relevant business, governance, financial or professional expertise, regardless of their place of residence.
19. Co-opted Members cannot make up more than one-third of the Board or Committee Members at any one time. See Rule 42.3.

Committees

20. The Membership of each Committee shall be decided by the Board following the AGM. The Board may adjust Committee Membership during the course of the year as necessary for the proper conduct of the Association's business.
21. Under normal circumstances there is an expectation that Members will serve on at least one of the Committees. This expectation is subject to the personal circumstances of individual Board Members which will be taken into account by the full Board over the course of the year.
22. At the first meeting of each Committee after the AGM, a Chair will be elected by the Members of that Committee to chair the Committee meetings for the following year.
23. The Chair and Secretary of the Association will, attend where possible all Board Meetings, in addition to any other special Committees that the Board agrees (Rules (59.3.1) states the Secretary should attend all Committee meetings. The Board agreed that this would be too onerous on the Secretary to attend all Committee meetings as well as Board meetings and have relaxed this Rule).

Delegation to the Chief Executive Officer (CEO) and other Members of Staff

24. As a matter of policy, the Association has decided that no Member of Staff may become a Member of the Association as this is regarded as a conflict of interest as per Rule 7.2. Any existing Member who subsequently becomes employed by the Association will have their Membership suspended for the duration of their employment.

25. The role of the Association's Chief Executive Officer (CEO) is to act as the Board's principal executive adviser on operational matters and (in conjunction with the Chair) on strategic issues, and to be responsible and accountable to the Board for the effective implementation by the Staff team of the Board's decisions and policies.
26. The Scheme of Delegated Authority and the Board/Committee Remits that form part of these Standing Orders set out the levels of delegated authority and responsibility that apply to (see Appendix 2):
 - The Board
 - Committees
 - Senior Staff [known within Craigdale as the Senior Management Team (SMT)]
27. Subject to these reservations and restrictions, the CEO is authorised and empowered to manage the Association and to direct its operations. The CEO is responsible and accountable to the Board for the work of the Association's Staff team.

Board & Committee Meetings

Frequency of Meetings

28. The Board will normally meet at least ten times per year and normally on the last Monday of each month at 6.00pm. The Board does not normally meet during the months of July and December.
29. Meetings shall last no longer than 2 hours.
30. The Association's Board and Committees will normally meet as set down by the Meeting Calendar detailed below, although flexibility will be required to meet business needs:

35. The Secretary will normally give written notice of all standard meetings agreed by the Board on an annual basis after the AGM (see annual meeting calendar)
36. Meetings in addition to the normal schedule, or where changes have been made to the meeting calendar, will require seven days' notice to Board Members.

37. Agendas and reports will normally be issued no less than five and normally no more than seven days prior to any meeting. While every effort will be made to ensure that reports are circulated within these timescales, late circulation of a report will not prevent the Agenda item being discussed, if a majority of the Board or Committee Members present at the meeting agree to accept and discuss the report.
38. No business, other than items on the Agenda, will be considered without the consent of two thirds of those present.
39. If a Member of the Board wishes to have an item(s) included on the Agenda for discussion/motions then this should be intimated to the Chairperson, at least seven days prior to the meeting so that the item can be included on the Agenda.
40. Prior to the Agenda being prepared (and prior to the actual meeting) the CEO or relevant Senior Management Team Member should discuss with the Chairperson to confirm the Agenda and order of business, and to clarify the matters requiring decision.
41. All paperwork relating to meetings will be issued through the Boards Portal or in hard copy, depending on each individual Member's preference and with the exception of confidential reports. Members who wish to receive papers electronically will be provided with a laptop or equivalent. The laptop will remain the property of the Association at all times; is for the Board Member's sole use; must only be used for Association business and must be returned to the Association if the Member leaves the Board, or no longer wishes to receive papers electronically. Reference should be made to the Association's Information, ICT& Governance Policy.
42. Where a report is private and confidential, it will either be sent to Board Members by post in an appropriately marked envelope or will be tabled at the meeting. Only a small number of reports are private and confidential and are normally those that contain sensitive or confidential information relating to Staff, consultants/ contractors or sensitive strategic/governance issues.

Committees

43. All of the procedures set down at 29 – 43 above shall apply to the meetings of all Committees.

45. A member of the Senior Management Team will normally attend relevant Committee meetings along with other Staff as deemed appropriate. The CEO will normally attend the Audit & Assurance Committee as well as the Staffing Committee.

Admission of Members of the Public to Meetings

46. Members of the public will generally not be admitted to the Board or Committee meetings. Exceptions to this are:
 - 46.1 If a Member of the public wishes to be heard by the Board they should submit a written request to the Secretary and the person may appoint a representative to speak on their behalf. They will be present during the meeting for the specific item only.
 - 46.2 If a potential Board Member has asked to observe a meeting of the Board, this is permissible. However, the potential Board Member will not be allowed to participate in the meeting and will not be allowed to observe any private and confidential matters.

Proceedings at Board Meetings (including Committees)

Quorum Requirements

47. For the Board meetings to take place, four Members (excluding co-optees – Rule 42 applies) will form a quorum. Where a meeting becomes inquorate after the start (this includes virtual and telephone meetings), the meeting shall be adjourned.
48. The quorum for all Committees shall be three Members (excluding co-optees). Where the meeting becomes inquorate after the start (this includes virtual and telephone meetings), the meeting will be adjourned.

Voting and Decisions

49. Where a motion is proposed and seconded by two Board Members present at a meeting, and where another Board Member indicates an amendment, the matter shall be decided by a vote of those Board Members present.
50. Voting shall be by a show of hands, unless otherwise directed by the Chair.
51. The number of votes cast for and against the motion or amendment shall be recorded in the Minute as shall the number of any abstentions.
52. The Chairperson will abstain from voting however, the Chair will have a casting vote in the event of a tied vote.

53. Co-optees can vote at Board and Committee meetings on all matters except those which directly affect the Rules, the Membership of the Association or the election of the Association's Office Bearers. Rule 42.2 applies.
54. Any Member may ask for their dissent from any motions or decisions to be recorded within the Minute.
55. Resolutions duly moved and seconded that do not attract an amendment shall be deemed passed without dissent.
56. Decisions made by the Board will stand on record for at least six months and will not be discussed, questioned or put to a second vote within that period unless there are exceptional circumstances and only then with the consent of two-thirds of those present.

Power of Veto

57. As the governing body, the Board retains a power of veto against any decisions made by a Committee. However, in some instances, it may be difficult to exercise the power of veto if Staff have already acted upon the Committee's decision and committed the Association to a certain course of action.
58. Exercising a power of veto should not occur (or should only occur extremely rarely) in a well-functioning governing body with clear and appropriate delegated authorities (see Appendix 2).
59. In the event that the Board does wish to veto a decision, the extent to which the Committee's decision has been enacted will need to be ascertained. If it is possible for the Association to "reverse" its decision without financial loss, reputational loss or threat of court action or triggering a Notifiable Event to the SHR, then the CEO will take steps to do this at their earliest convenience acting on instruction from the Board.
60. Where the decision has been actioned and it is not practical to reverse it, the Board will accept the Committee's decision. In such circumstances, the steps leading to the decision will be investigated and any appropriate follow-up action taken.

Adjournment

61. The Board may adjourn meetings. A motion for adjournment by two thirds of the Members attending the meeting will take precedence over all other motions.
62. When an adjourned meeting is resumed, proceedings will commence at the point at which they were broken off at the adjournment.
63. The time of a reconvened meeting may be agreed as part of the adjournment motion, failing which it shall be decided by the Secretary.

Time Management of Meetings

64. The decision of the Chairperson, Vice Chair or other person presiding at a meeting, on length of speeches, debate and closure of debate, is final. The Chairperson, Vice Chair or other person presiding at a meeting will seek to ensure that all Board Members are given adequate opportunity to debate all items on the Agenda.
65. All Board business, including all Committees, should not exceed two hours.
66. In exceptional circumstances, the meeting may be extended by a motion for suspension of Standing Orders supported by two thirds of those present. Any extension shall be for a maximum of 30 minutes and discussion will be limited to the particular item under consideration at the point of suspension of standing orders.
67. The minutes of previous meetings will be taken as read, except those items that appear on the Agenda

Correspondence

68. Committees have delegated authority to consider items of correspondence appropriate to their Terms of Reference and Remit depending on timing of meetings, i.e. if Committee meeting has just been held and correspondence received requires urgent action the correspondence would be presented to the Board.

Any other Competent Business

69. Any other competent business should be intimated to the Chairperson prior to the start of the meeting, if possible giving at least 24 hours' notice.
70. The Chairperson will rule on whether the business is competent for discussion and/or decision at the meeting. The Chair will report this decision to the meeting concerned. It will be open to the meeting, on the basis of a majority decision, to reverse the Chairperson's decision or allow immediate discussion and/or decision.
71. Other business may be referred to a future meeting or delegated to the appropriate Committee or Staff Member.

Business Conducted under Closed Session

72. Where Board business is of a confidential nature, the business will be conducted in a closed session and a separate confidential Minute will be produced. Staff Members other than the CEO and/or their substitute will normally leave the meeting during any confidential items. If the agenda item directly concerns the CEO and/or it would be inappropriate for them to be present, the CEO will also withdraw from the meeting.

Conduct of Members at Board/Committee Meetings

73. Board Members, including Co-optees must observe the governing body's Code of Conduct at all times when attending Board/Committee meetings. In particular, all Members must:
- Conduct themselves in a courteous and business-like manner.
 - Show respect for the authority of the Chairperson of a meeting.
 - Show respect and consideration towards other Board Members, the Association's Staff, and anyone else attending a meeting.
74. During Board meetings, the Chairperson of the meeting is responsible for determining if a Board Member, or a number of Board Members, are acting in a way that is contrary to the Association's Code of Conduct for Board Members. The Chairperson, at their discretion, or in response to a request from another Board Member can censure a Board Member, or Members, on account of their behaviour at the meeting and request that the inappropriate behaviour ceases.
75. In the event of a failure to comply with such a request, or where the breach of the Code of Conduct, in the opinion of the Chairperson, is sufficiently serious, the Chairperson at their discretion, or in response to a request from another Board Member, can propose a resolution to the Board that the Member or Members in question be excluded from the remainder of the meeting. Such a resolution, if seconded, will be voted on immediately by the remaining Board Members who are not the subject of the resolution and shall be decided by a majority vote of such remaining Members. If the motion is carried, the Board Member or Members concerned must then leave the meeting.

Minutes of Meetings

The Board

76. A Minute of the Board meeting will be taken under the authority of the Secretary. The Secretary will normally delegate the task of preparing the Minute to a Member of Staff.
77. A Minute of the Board meeting will be prepared as a draft and submitted to its next meeting for adoption.

78. To be approved as a correct record of the meeting, the Minute must be accepted by the Board following a motion proposed and seconded by two Members who were present at the relevant meeting. Once approved, and inclusive of any amendments, the final Minute shall be signed by the Association's Chairperson and retained as the official record of the Association.

Committees

79. Minutes of Committee meetings will be taken by Staff Members.
80. Minutes of meetings of all Committees will be prepared as draft Minutes and submitted for adoption to the first meeting of the relevant Committee held thereafter.

82. Once approved, and inclusive of any amendments, the final Committee minute shall be signed by the Committee's Chairperson and then retained as the official record of the Association.
83. The Minutes of Committee meetings shall be reported to the next meeting of the Board and can be in draft form at this stage due to the timing of Committee meetings: Board meetings are monthly whereas Committees are generally quarterly or 6 monthly. The Board can approve recommendations made by the Committee while the Minutes are in draft form.

All Meetings

84. Only Members in attendance for the full meeting may move adoption of the Minute. A motion for the approval of a Minute of a meeting, or any part of such a Minute will be considered as an original motion. Any motion involving alteration or rejection of such a Minute shall be dealt with as an amendment.

Circulation of Minutes

85. All Minutes shall take the form of 'draft minutes' until they have been passed by the relevant Committee or the Board.
86. All Minutes subsequently passed/noted by the Board shall be recorded as such and shall form the official record of the Association.

Publication of Minutes

87. Only the Minutes of the Board meetings will be published on the Association's website following their adoption and shall be available to all Members of the public.

 - Is not disclosed to anyone except those with a right to know.
 - Is not used for the personal advantage of themselves or of others known to them.
117. Such use of confidential information would constitute a grave betrayal of trust and a serious breach of the Code of Conduct.

Code of Conduct

118. The Association expects the highest standard of integrity in the management of its affairs. All Board Members, including co-opted Members are required to sign and adhere to the Association's Code of Conduct and to disclose any relevant interests in the Register of Board Members' Interests, which will be maintained by the CEO.
119. All Board Members shall register any direct or indirect financial or other interest which might influence judgement or give the impression that a Member was acting for personal motives.
120. Where an interest has previously been declared and it is intended that an issue relating to that interest will be discussed by the Board/Committee, the CEO or Chair should advise that Member prior to the meeting that there could be a conflict of interest. The Member should leave the meeting while that matter is being considered and only return to the meeting once discussions relating to the matter have concluded.
121. If the conflict of interest emerges during the meeting the Member should declare an interest and leave the meeting while that matter is being considered and only return to the meeting once discussions relating to the matter have concluded.
122. Where an issue is being discussed by the Board and a Member realises there could be a conflict of interest the Member should declare that interest and leave the meeting while that part of the meeting is being discussed and not return into the meeting until discussions relating to the matter have concluded.

123. The Register of Board Members' Interests and the Benefits, Payments & Entitlements Register will be available for public inspection at the Association's offices.

Breaches of the Code of Conduct/Board Disciplinary Procedure

124. The Code of Conduct for Board Members provides guidance about actions which are likely to represent a breach of the Code, the possible consequences of any such action and a protocol for dealing with a breach.
125. A breach of the Code of Conduct is a Notifiable Event and must be reported to the SHR. Reference should be made to the SHR's Notifiable Event guidance and the Association's Notifiable Events Policy.
126. Allegations of a breach should normally be made to the Chair or, where the complaint relates to the Chair, to another office-bearer. The Chair or office-bearer, in consultation with the other office-bearers, will decide whether to instruct an independent investigation or whether to carry out an internal investigation. No one who has any involvement in the complaint or the circumstances surrounding it will play any part in the investigation.
127. A potential breach of the Code of Conduct will, be notified to the governing body by the Secretary within seven working days of it occurring or of receipt of the complaint. The notice will include a report on the proposed arrangements for investigation (but will not describe the detail of the complaint) and a recommendation of a suitable person to carry out the investigation. This recommendation should be made by the Chair who may seek advice from our solicitors.
128. All investigations will be objective and impartial. A potential breach of the Code of Conduct will normally be investigated by an independent person, unless it is decided that an internal investigation is appropriate (as set out at 126).
129. An internal investigation will be carried out by three Members of the governing body, not including the Chair, who will make a report and recommendations to the Board. They will be supported in the conduct of the investigation by the Senior Officer (the CEO).
130. Where the potential breach relates to the Chair or other office bearer, an independent investigation will always be carried out and services procured in accordance with agreed policy.

131. An independent investigation will normally be overseen by the Chair and one other office bearer, with support from the Senior Officer. In the event that the alleged breach relates to the Chair, one of the other office-bearers will act to fulfil the responsibilities ascribed to the Chair.
132. The Chair and other office-bearer, with any support they feel necessary, will brief the agreed advisor/investigator and then consider their recommendations at the end of the investigation, before reporting to the Board. Craigdale Housing Association should always provide the investigator with a written brief that sets out the nature of the complaint and of the investigation to be carried out, as well as a timescale for completion and reporting. The brief may refer to any action previously taken that is relevant. Investigations should not usually take more than six weeks to conclude. The advisor/investigator will normally present their report to the Board.
133. Any investigation of a potential breach should be notified to the individual concerned within seven days of the decision to investigate. The Board Member must be notified in writing of the nature of the complaint and the arrangements proposed for investigation.
134. The Board Member whose conduct is being investigated will not be party to any of the discussions relating to the investigation. Any Board Member who is the subject of a complaint is expected to co-operate with any investigation carried out. The Board should agree to grant leave of absence to a Member who is the subject of a complaint whilst an investigation is carried out.
135. A meeting of the Board will be held to consider the report and recommendations from the investigation and to determine what action should be taken against any individual who is found to have been in breach of the Code.
136. The Board will report the findings of the investigation and the proposed action to the Member concerned within seven days of the meeting at which the report of the investigation was considered.
137. Where, following an investigation, it is concluded that a serious breach has occurred, the Board may require the Member to stand down from their position in accordance with the Rules. Rule 44.5 applies.
138. If the Board proposes to remove a Member, following investigation, the Member will have the right to address the full Board before their decision is taken at a special meeting called for that purpose. Any such decision must be approved by a majority (two thirds) of the remaining Members of the Board, in accordance with Rule 44.5.

139. If, following investigation, a breach of the Code is confirmed, action will be taken in response. This action will reflect the seriousness of the circumstances. It may take the form of some or all of the following:
- An informal discussion with the Member concerned.
 - Advice and assistance on how their conduct can be improved.
 - The offer of training or other form of support.
 - A formal censure.
 - A vote to remove the Member from the governing body.
140. Formal action as set out above will be regarded as a Notifiable Event and as such must be reported to the SHR at the start of any proceedings.
141. All of the above shall not prevent the Chairperson giving informal censure/advice to a Board Member(s) relating to an action or behaviour occurring at a Board or Committee meeting that, in the view of the Chairperson, requires such action but which falls short of formal proceedings.
142. As a general rule the process laid out in the section “Breaches of the Code of Conduct/Board Disciplinary Procedure” will, where possible apply to complaints/allegations made about former Board Members.

Emergency Business

143. Any matter out with the authority of the Association’s Senior Management Team, which requires urgent or immediate action but which cannot wait until the next Board meeting, may be referred to the Chairperson for a decision, or in their absence or unavailability, the Vice Chairperson or Secretary, as set out in paragraph 102, 103 & 112 above.
144. Any such matter and the action taken shall be reported to the first Board meeting thereafter.
145. The outcome shall be reported to the next Board meeting and recorded within the Minute of the Board/Committee meeting.

146. Deeds and other legal documents may be subscribed either:
- By the use of the Association’s Seal and signature by an authorised person as per Rule 63.

- By signature of an authorised person and witnessing, as described in the Requirements of Writing (Scotland) Act 1995.
147. Where the Seal is used, the Board's prior approval is required under Rule 63. The deed or document should be signed by the Chairperson or Secretary. If an office bearer is not available, the document may be signed by another Board Member, as provided for in the Association's Rules. The CEO should then ensure the Use of Seal Register is updated.
148. Where signature and witnessing is used to execute documents, the document may be signed by any Board Member, or by a Member of Staff who has authority to do so under the Scheme of Delegated Authority.

Revision of Standing Orders

149. The Standing Orders may only be altered or revoked by the Board if the motion for alteration or revocation is supported by two-thirds of those present, excluding co-options.

APPENDIX 3

Register of Members Interests and Declaration of Interest

The Association's Standing Orders require that all Board Members declare in a Register any interests as set down in the Standing Orders.

Any potential conflict between being a Member of the Board and any external interests or personal connections must be openly declared and effectively managed so as to protect the good reputation of the Association.

Where a Board Member has a personal, business or financial interest in any matter that is relevant to our activities or is being considered (or is likely to be considered) or the Member knows that someone to whom they are closely connected has such an interest, the Member must declare it promptly and record it in the Register of Interests.

This Appendix gives further guidance on how to declare and manage any personal (including personal business or financial) interests.

The definition is:

“All Board Members shall register any direct or indirect financial or personal interest or any other interests which might influence their judgement or give the impression that a Member was acting for personal motives”.

The Association has agreed that the following matters are automatically subject to the Declaration:

- **Employment details.**
- Positions of **public responsibility**. This will include Membership of public trusts such as Health boards; being an elected Members (e.g. Councillor), and Membership of other public bodies such as being an Office bearer of a community council. This will not include Membership or being an office bearer of any private organisation e.g. Bowling club, church etc.
- Membership of other **housing Associations or Registered Social Landlords**.
- Financial interests which may relate to the work of the Association. This will include being an employee; holding a directorship or substantial shareholding of any company which has any ongoing or contractual relationship with the Association. In addition, it will include any such position held by a direct relative; Member of your household or someone with a close personal connection to you. Details of such connections are set out below.
- Other i.e. non-financial interests. This shall include Membership **at a decision making level** of any organisation which has an ongoing or contractual relationship with the Association.

As a Community Controlled Housing Association, Craigdale regards it as a strength that its own tenants and factored owners can play a part in our work and serve on our Board. The Association does not recognise that such service represents a conflict of interest. If any of our tenants or factored owners are Board members, they do not have to make a Declaration of Interest based on the fact they are a tenant or a factored owner of the Association.

The Register will be maintained by the Secretary (or the Association's CEO if instructed so by the Secretary) and shall be maintained annually by the completion of a new declaration immediately following the Annual General Meeting. Any new Board Members co-opted between AGMs will be required to complete a declaration on joining the Board. The Declaration form is attached to this Appendix.

The Association recognises that this annual declaration cannot cover every eventuality and, in particular, that events may occur during the year which result in a Board Member having an interest in a matter not declared in the Register but which arises in the course of the Association's business.

It is the responsibility of every Board Member to declare such an interest should it arise and to update their Declaration of Interests accordingly. Any failure to make a complete, accurate and prompt declaration - whether deliberately or through taking insufficient care – will be regarded as a breach of the Code of Conduct.

The provisions of the Rules, Standing Orders and Code of Conduct would then apply. Examples of such instances might be where an organisation to which a Board Member is an Office Bearer e.g. a care provider, enters into a contractual relationship with the Association in the course of the year. In this instance the Register would not contain any reference to it as the contractual relationship did not exist at the time of the annual declaration.

As soon as the Board Member's circumstances change a Declaration must be made.

Board Members who are in any doubt about such instances should clarify matters with the Secretary or CEO.

Definition of 'close connection': Someone 'closely connected' to you includes family Members and persons who might reasonably be regarded as similar to family Members even where there is no relationship by birth or in law.

The following table outlines those who you should consider when declaring interests:
Table A

Group 1 Members of your household	Group 2 People closely associated with you	Group 3 Others you need to consider
Anyone who normally lives as part of your household, whether they are related to you or not, including spouses/partners who work away from home and sons and daughters who are studying away from home	Parents, parents –in-law and their partners sons and daughters; stepsons and step-daughters and their partners; brothers and sisters and their partners; a partner’s parent, child, brother or sister; grandparents; grandchildren and their partners; someone who is dependent on you or whom you are dependent on; close friends	Other relatives (e.g. uncles, aunts, nieces, nephews and their partners); other friends (e.g. someone you are acquainted with socially, neighbours, business contacts/associates)

If a Member becomes aware of any action or involvement relating to anyone in the above table then the Member must declare the interest and manage this as soon as possible.

However, we recognise that Members will not always be closely acquainted with or in regular contact with all of the people listed in the above table and we do not expect Members to go to unreasonable lengths to identify actions or involvement that are covered by this guidance.

Please note, we do expect Board Members to be familiar with the actions of Members of their household (Group 1) and of any other people listed in the table above with whom they are closely associated and/or in regular contact and the Board Member must take steps to identify, declare and manage these.

Board Members are not expected to be aware of the actions of people in groups 2 and 3 that they do not have a close Association and/or regular contact with. We do not expect Members to research into the employment, business interests and other activities of all persons with whom Board Members are closely connected to.

In relation to the above guidance, Board Members when considering their actions should do so from the point of view of a reasonable and objective observer. Board Members actions must always be open, honest and accountable.

Role Description for Secretary of CRAIGDALE HOUSING ASSOCIATION

1.0 Introduction

Drafting Note – Often RSLs will assign the role of the Secretary to a senior member of staff. Where this is the case, the relevant sections of this role description (2.1 and Annex 1) should be reflected in CRAIGDALE HOUSING ASSOCIATION's Standing Orders and a separate Role description will not be necessary. Under these circumstances no annual election of the secretary will take place as the Standing Orders will state that this role is carried out by the appropriate member of staff – in most cases the CEO. Therefore the below Role Description is most relevant to RSLs who decide that a Governing Body Member will carry out the role and is drafted to reflect this.

- 1.1 This role description sets out the particular duties and responsibilities that attach to the Secretary of **CRAIGDALE HOUSING ASSOCIATION**. Each communication sent to a Member by fax or email shall be deemed to have arrived on the day it is sent.

[Rule 27.6] If there is to be an election of Committee Members at an Annual General Meeting, you can vote by post. Not less than 14 days before a meeting is held at which one or more Committee Members will be elected, you will receive a ballot paper for the election. You can vote in the election by returning the ballot paper to **the Secretary** at least 5 days before the day of the meeting, or by bringing your ballot paper along to the meeting.
